WANNEROO WANDERERS 4WD CLUB INC

The Wanneroo Wanderers 4WD club is an enthusiastic group of people who have banded together to enjoy 4WD trips and excursions while conserving the natural bush ecology.

Club membership comprises families and individuals of all ages. The range of club activities caters for the novice as well as the experienced drivers. Activities include social functions, day drives, weekend and extended trips both on and off road at various times during the year.

TOODYAY ARCHERY TRIP

OCTOBER 18-21ST 2024

Kerri and Steve W started the weekend away a day early by arriving on Thursday afternoon. Enjoying the peace and quiet with the lovely bird life before they were over taken by other Wanneroo Wanderers on the Friday.

With Leann and Steve S staying in town and John and Liz staying in a cabin and the other 12 families camping at Toodyay Holiday parks and Chalets we made a nice group for afternoon happy hour. Thanks to the few that brought the wood, Julie and Ang were able to make a very nice fire on Erics' new portable fire pit which was enjoyed late into the evening.

Barb made a very saucy entrance on arrival by dressing up as a tomato sauce bottle for an inside joke with Keith G.

At 9am on Saturday it was all off to Hoddswell archery for a 9 target round of archery starting at 9.30. The 29 participants were divided into groups with 1 group of 3, a few 4's and the best group of 6. There is a fine for John S and Penny who got the time wrong and missed the start.

As there were no score cards given out and the 1st group started before I realised everyone scored slightly different so we have put this down to a practice run and next year there will be a serious competition. We staggered our start amongst the group and went off to the 9 targets that were set in the bush all at different distances. The archery was enjoyed by everyone. Most people were concerned about their ability's but everyone went really well and had a blast and a new skill was learnt by most. Leann and Steve S left to go back home after archery.

After archery everyone went their own ways. The bakery was a hit for a few. Then we were back to camp for happy hour. A card game was played, congrats Jackie on the win. Some Finska was played and lots of winners for that. Again Julie and Ang excelled in their fire making skills. We said good bye to Barb.

@630pm 31 of us went into town to the Victoria Hotel for dinner. It was a lovely meal enjoyed by all. The company was top notch. Then we left John and Penny and went back to the caravan park for some more fire pit enjoyment

Sunday morning lots of us went into the Toodyay farmers market and to support the small town. We then said good-bye to Jacky, Terry, Malakai and Eric & Julie.

10 vehicle meet for the day run at 11am at the rest stop. We took a scenic drive down to Woosdowning Nature reserve down some gravel track and a couple of easy jump ups up to a large plateau of gravel pile. We enjoyed our own yummy picnic lunch and some great chats. We got back in the cars and took the scenic route up lover's lane, along the train tracks through rolling hills back to town to Pelham reserve where the group dispersed and took their own trails and saw some beautiful views of Toodyay.

Marian, Richard, Kylie, Michelle, Brian and Makayla all ventured down to the bunkers at the bottom of the hill. Unfortunately the path was over grown and all we saw were small holes in the ground. Marian and Kylie got Uber/Keith to take them back up the hill while the others trekked back up.

Everyone came back to camp for another happy hour. Brian had to referee an argument with the residents duck population. When the showers hit we said good bye to the Rob and Maria. The showers did put a slight dampener on the fire pit but the Ron, Ang, Deb and Andrew stuck it out with umbrellas. Richard, Kylie, Kerri, Steven, Michelle, Makayla joined in the very 'spirited' conversations about gender, pro nouns, sexuality, the need for middle names and the fact you can't turn right at a round about (RON!!!) We then adhered to the 10pm curfew, almost, and went off to bed.

With a leisurely wake up on Monday we said goodbye to Phil and Judy early. Then Marian & Keith, Sue & Steve M, John L & Liz and our visitor's Vince & Gayle said their goodbyes as they were heading back home.

Then Deb & Andrew, Ang & Ron, Richard & Kylie, Kerri & Steve W went onto John & Penny's property for a couple of days of busy bees to get the property ready for fire season. Michelle, Brian, Makayla & Josh were the last to leave.

This weekend was enjoyed by everyone. The archery was a hit and expect to see it on the calendar again. Toodyay Holiday park & Chalets was a lovely place to stay with rustic camping and beautiful bird life.

Westonia Social and Trip Event

Fri 23 to Mon 26 Aug 2024

Report by Maureen Hurrelin

Fri 23 to Mon 26 Aug was the joint social & trip visit to the Westonia Wanderers. There were 42 of us made up of members, an ex member, visitors and quite a few dogs! We were such a large group that some had to park in the overflow area as the caravan park wasn't large enough for us all!

A few arrived on the Thursday which was a lovely sunny day, the rest turning up on Friday. The first to arrive into the caravan park was Steve & Sue Morris. The Morris's were assigned site 9 in the caravan park, note: there are new trees planted between each site. Steve while reversing managing to hit a tree stake while doing so, he didn't hear Mike the caretaker shouting, luckily, he heard Sue who commented that she heard a crack so Steve got out to investigate, I have a great photo of Steve and the bent tree stake!

Later when Richard and I asked Steve what happened, he said he thought that he was reversing into site 10, lucky for the tree he didn't! To my knowledge everyone else parked without incident.

On Friday evening we headed up to the stadium at 4.30pm where there was a variety of tasty snacks on offer and drinks to purchase from the licenced bar, Dinner was served at 6pm, which was Hot beef rolls and hot chips, gluten free option was available, and drumsticks for dessert.

Saturday turned started out to be foggy, wet and windy day so not many ventured outside early apart from Richard & Bella who got soaked on their walk. At 1.30pm the Westonia Wanderers play Scroungers Steve Sharp, Sue Morris and Brian Finlayson represented the Wanneroo Wanderers and according the Sue Morris "it was a lot of fun playing with the locals". At 4pm the rest of us walked up to the stadium with our variety of snacks to share before approx 18 of us got tips from Graham Jones and Ainslie Faithfull on how to play lawn bowls, it was all great fun!, while quite a few of the bowls landed in the ditch, there were a few good ones after some practice especially from Lesley Armstrong and I heard that Tony Downe managed to actually touch the Jack, well done to everyone who had a go!

Graham giving instructions to Maureen H, Leann S, Lesley A, Neil J & Steve W while Steve and Sue M wait at the other end!

A big thanks to Ainslie Faithfull & Graham Jones our coaches!

At 6pm we had a choice of 2 delicious soups then a selection of tasty Casseroles followed by drumsticks.

Sunday golf: an amalgamation of reports from Phil Anderson & Steve Waterman:

Part of our Westonia weekend included a round of golf on the Sunday afternoon, 4 keen WW members headed out to the Westonia Golf Club for a leisurely round of 18 holes or so they thought, but it was the Westonia Sunday golf tournament! Luckily the four Wanneroo members namely Phil Anderson, Steve Morris, Steve Waterman and Luciano Balla got to play in the same foursome, (not the awesome foursome as you will find out when I read the rest) against 6 or 8 local gentlemen.... This looked serious!

We played Stableford golf, with the two Steve's off an 18 handicap and Phil and Luciano off a 36. The ladies group (Ainslie being one of them) in front bolted and by the time we scratched around looking for our balls in the long cape weed and worked out what to do on a sand green on the 1st hole they were finishing upon the 2nd, almost a hole in front of us. Apparently, the club's lawnmower had been out of action for over a week and with all the rain the cape weed was several inches high in many places, easily covering any rolling golf balls that were lucky enough to actually hit the fairway.

On the 9th green we were given a lesson on how to rake the green by the Westonia club president to help our putting. The golf played can best be described as challenging, and playing on and around the sand greens was a new experience for us with it always being difficult to read what the ball was going to do.... as it stopped dead, or bounced on. And then how hard do you hit the putt? Many putts stopped halfway to the hole, refusing to roll on in the sand as we all found it hard to adjust from slick grass green.

Steve Morris and Luciano got better on the back nine, but Steve Waterman and Phil did not improve as the day wore on. Neil Jones joined us on the last few holes and showed us a couple of golf shots that justify his single figure handicap! Whilst generally the golf played by the group was mostly rubbish, we all had some good shots (that somehow seem to suck us back to the next round) and we all enjoyed the challenging conditions and opportunity to play a new course. Steve M (the more consistent golfer in the group) actually ended up with a half reasonable round and almost won a prize as even the locals also found the current conditions difficult! Phil thinks that he needs to get some lessons if he is to be any sort of threat at the annual Ledge Point golf day.

Following the golf the local ladies put on party pies, sausage rolls, pizza and cocktail Frankfurt's. We all enjoyed a beer from the bar and the golf day results were announced, sadly no Wanneroo Wanderers made the top three.

Steve W: The hospitality and welcoming of all the Golf Club members was great, and I look forward to playing next year if the opportunity arises.....the golf played can only improve.

Phil A: It was great fun and as we all have seen over the weekend. The Westonia community hospitality was on full display again!

Steve M, Steve W and Luciano B enjoying food and refreshment after the round of golf!

Thanks again to the Westonia community for hosting us and Maureen for making it all happen.

Sunday was a lovely sunny day, while some went for a trail walk to see the local Everlastings and Wild Orchids at 12pm the majority of the group took a wildflower drive organised by Russell.

Olive Hill Farm Australia Day Weekend Trip

Fri 24 to Tue 28 Jan 2025

Report by Maureen Hurreli

We had another wonderful long weekend at Olive Hill Farm with 13 caravans and 2 dogs Missy & Bella. The weather was perfect not too hot or too cold, no pesky flies or insects just lots of beautiful splendid Fairy Wrens.

On Saturday morning we drove to Boranup Forest via Redgate beach before lunch at Dear Darnell's in Witchcliffe

While many of our group had been to Witchcliffe before most had not even known Dear Dar-

of Dear Darnell's

On **Saturday** at **happy hour** couple teams were formed by pulling a blue or red number, made up of a male and female, we had a generalknowledge and a "what am I (not steamy/naughty)" Quiz, there was a tie with teams Glenda & Joe, Kylie & Brendan on 11 points each after 20 questions, after several tie breaker questions Glenda & Joe (there is a bit of suspension about Joe answering any questions) were declared the winners.

Sunday morning was an early start to drive into Cowaramup for the annual Lions club Australia Day breakfast, this year 12 people became Australians. After breakfast Tony suggested taking a drive to St John's Church of England at Osmington which his Grandfather L Williams built with his 16 yr old son Chas, the first service was conducted on 22 Feb 1934.

Tony Downe attempting to get a tune out of the organ, which he did!

We then drove to **Canebrake pool** which is a campground where the Wanderers used to stay at many years ago before the 12 sites campground was established!

We went to lunch at CBCo Brewing which now seems to be an annual venue, and it is near the Olive Hill Farm, Vince’s Son Troy and his wife Heather join us.

Sunday happy hour lots of group chats then after dinner the La La’s also knows as the Waddell’s entertained us with Australian songs

Monday was a free day with some driving to Augusta or Margaret River visiting winerys for the day. Tony, Jenny & Missy left on Monday, Happy Hour was chatting in small groups

Games Night

15th February, 2025

By MICHELLE FINLAYSON

On the 15th Feb Barb hosted the games night at her house. With a start of 4pm, most people had arrived by 445pm. We gathered on barb perfect lawn. Out of the 38 of attendance , 25 people participated. I divided everyone into 5 teams of 5.

1.Wanneroo winners= Jacky, Kylie, Steve M, Rob, Dave.

2.Bazookers= Sue Mor, Phil, Steve W, Penny, Alisa.

3.Chrissie winners= Chris, Kerri, Archie, Paul, Luciano.

4.Lovers= Terry, Karen, Ray, Audrey, Keith.

5.Grinner= John, Richard, Sue Mel, Maria, Robyn.

I was the ring master/judge for the night.

The first game needed 1 man to sit on his throne with a balloon pump between his legs and in turn have two other members pump a long balloon til burst. With a few broken pumps along the way the night got off to a popping start. Chrissie winners won that game.

Time for some tossing fun. 1 member wore a pair of elephant trunks (from temu) the other 4 took turns tossing rings onto the trunk. They had to keep tossing to they landed 1 each. Some teams did amazing by getting a score of 11(team 2) but another team not so much with a score of 38 (team 1)

After Paul's demand of a drinks break we moved on to the challenge of putting on 1 pair of adult diapers per team. Phil did an amazing job of doing the splits, Audrey dragging their bum on the ground like a dog, Kerri showing us some yoga moves, Rob doing some criss cross dance action, John kicking his legs like preforming 100m freestyle. Phil/team 2 took out the win.

Another quick drink break brought everyone back for the potota plop. Taking turns each member placed a potato between their knees and with any means necessary (jumping, walking, running) got their potato across the lawn into their bucket. Team 3 took out that win.

Dangle ball time. With a tennis ball at the end of a stocking attached to your waste run down the lawn to knock over a water bottle over. Lots of laughter and wildly swinging balls with team 2 took out the win.

On to the last games of the night. Balloon centipede. 1 member went out around the bucket, back to collect member 2, out around the bucket and continue until all 5 were in a line with a balloon between each person. NO HANDS allowed to hold the balloon. This was absolute chaos as people pumped into others, balloons flying over fences and accusation of cheating. On the night team 2 were declared the winners but on inspection of the video reply after the night it should have been team 4 as team 1 were only 1/2 a team at the finish line even though Steve celebrated the win like a champion, team 2 had 1 balloon over the fence as their lead crossed the line, Paul had used his hands to hold his balloon the whole lap.

With the games portion over it was time to get out the chickens, thanks Richard for getting the from Costco, and people's salads. Again a feast was enjoyed by all.

We then moved off to the lawn for pass the parcel after dinner. With prizes like: Anti nagging kit—ear plugs, Belly button cleaner-pipe cleaner, Build a bike kit—nut part 1 our at 15,978, Jigsaw puzzle - 10,000 piece bag of saw dust, Van levels, Bottle topper, little card games and chocolates. Grand prize—\$20. Bunnings voucher.

Over all winners announced. 5th place Team 4, 4th place Team 1, 3rd place Team 3, 2nd place Team 5.'

1st place winners Team 2,
Sue M, Phil, Steve W, Penny and Alisa.

On to deserts brought by members. Again amazing offerings available. More socializing and some cleaning up.

Big thank you to
our organisers
and host Michelle
and Barb. Ed.
